

For all lovers of fine grapes...

...we made it a matter close to our hearts, finding the perfect bottle for every of our special guests.

In our historic wine cellar great wines from all over the world find their temporary home, waiting to give our guests an unforgettable time.

The love and passion for the Austrian wine regions are clearly noticeable as we give our best to show not only the typical sorts. Instead beside Zweigelt, Gruener Veltliner and Blaufränkisch, we offer you special tips like Tannat, Viognier or Furmint.

Of course international wines are on our list too.

Great Chardonnays from Burgundy, German Riesling, Shiraz from Australia, Argentinian Malbec, Pinot Noir from New Zealand – to name just a few of them.

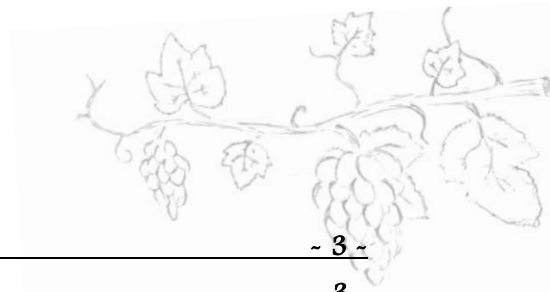

Bottle after bottle is meant to ripe to its finest in our underground cellar in two different climate zones, to give the best conditions to sparkling-, white- and red wines. .

The history of our castle paired with the modern renovation of our wine cellar, it's a great place not just only for our bottles. The big wooden table invites you for tasting and enjoying your favourite wines. Take some time to enjoy this special ambiente.

For every guest, who was able to find the perfect wine and wanting to enjoy some more at home, we offer you a special pricelist for take-away.

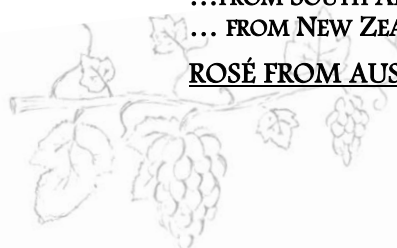

We wish you lots of enjoyable and remarkable hours,

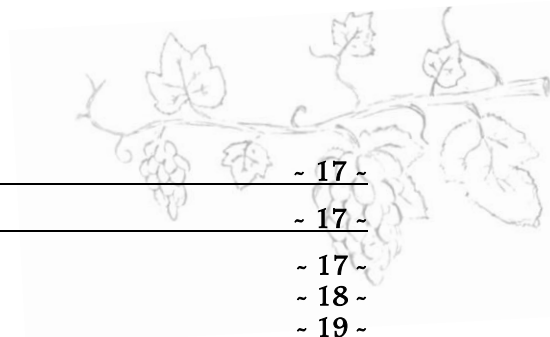

Your Restaurant Team
