WELCOME

to Schönberghof Spielberg, an „inspiring place“ of TAUROA.
Thank you for being with us.

Here, perched above the Red Bull Ring, you can expect not only
unique views of the racetrack
and all its action, but also the genuine flavors of Styria.

In our menu, we celebrate the down-to-earth art of cooking and
the connection to our homeland,
reflected in every dish we serve. We take great pride in the origin
of our ingredients: fish sourced
directly from the crystal-clear waters of Ausseerland, game from
the surrounding Authal forests
and vegetables that embody the freshness of the neighboring
fields. Seasonality guides us and
nature's rhythm sets our pace.

Our focus in the kitchen is on what truly matters – quality and
taste. We warmly invite you to take a
seat with us, let your gaze wander over the activities at the track,
and savor the moment.

It's my pleasure to accompany you on this culinary journey,
bringing the stories of our region
closer to you through the language of gastronomy.

Enjoy the harmony of local tradition and the inspiration brought
by our unique location. Enjoy

Sincerely,

and the Team Schönberghof Spielberg
