

KNOW WHERE IT COMES FROM

This is essential for us in all areas.

It is essential for the precious food that our kitchen processes with the utmost care and respect. Regional origin and consideration of the seasons are just as important as species-appropriate husbandry and meeting the highest quality standards. We source the majority of our ingredients from our own farms.

Fish from the Ausseerland fishery

Wild from the Authal forest

Seetal pasture lamb

Wiesengelter Angus cattle

Wiesengelter free-range pig

Authal alpine pasture cattle

As the "high of the day", you can enjoy unique drinks based on healing water from a mysterious spring in Thalheim: fruity-fresh lemonades, invigorating healing waters and unique beers.
