

WELCOME

to Schönberghof Spielberg, an “inspiring place” of TAUROA.
Thank you for being with us.

Here above the Red Bull Ring, you can expect not only unique views of the racetrack and its action, but also the genuine flavors of Styria.

In our menu, we celebrate the down-to-earth art of cooking and the connection to our homeland, reflected in every dish we serve. We take great pride in the origin of our ingredients: fish sourced directly from the crystal-clear waters of Ausserland, game from the surrounding Auhaf forests and vegetables that embody the freshness of the neighboring fields. Seasonality guides us and nature’s rhythm sets our pace.

Our focus in the kitchen is on what truly matters - quality and taste. We warmly invite you to take a seat with us, let your gaze wander over the activities at the track, and savor the moment.

It’s my pleasure to accompany you on this culinary journey, bringing the stories of our region closer to you through the language of gastronomy.

Enjoy the harmony of local tradition and the inspiration brought by our unique location. Enjoy!

Sincerely,

KNOW WHERE IT COMES FROM

This is essential for us in all areas.

The same commitment applies to the precious ingredients our kitchen processes with the utmost care and respect. Regional origin and seasonality are just as important as species-appropriate husbandry and the highest quality standards. We source the majority of our ingredients from our own farms.

Fish from the Ausseerland fishery

Wild from the Authal forest

Seetal pasture lamb

Wiesengelter free-range pig

Authal alpine pasture cattle

Eggs from family Pickl-Herk

Milk and yoghurt from family Madl

Herbs from our own garden

As the daily highlight, you can enjoy unique drinks based on healing water from a mysterious spring in Thalheim: fruity-fresh lemonades, invigorating healing waters and unique beers.
